TEACHING

Community College of Allegheny County (current)
Pittsburgh, PA

University of Pittsburgh (current)
Pittsburgh, PA

American Public University System (current)
Online

University of Michigan
Ann Arbor, MI

Washtenaw Community College
Ann Arbor, MI

1992 – Present, Adjunct Faculty

Teach/taught undergraduate and graduate students using online, blended, and face-to-face modes. Responsible for course development and implementation, including syllabus, lectures, assignments, class discussion, small group work, and examinations. Courses include: Race and Ethnic Relations, Social Problems, Principles of Sociology, Criminology, Urban Sociology, Sociology of the Family, Introduction to Survey Research Techniques, Longitudinal Data Analysis, Introduction to Anthropology, Cultural Anthropology, Research Methods in Sociology, Sociology of Aging, and Gender and Society.

ADMINISTRATION

1992 – 1998, Project Manager for the National Archive of Computerized Data on Aging (NACDA)
Supervised staff of clerical, technical and professional employees engaged in data processing and dissemination. Hired, trained, and evaluated personnel. Evaluated gerontological and epidemiological data sets for quality and relevance. Wrote NACDA publications. Provided client support services. Developed educational programs and value-added social science data products. Represented NACDA at professional meetings. Sought and managed external funding.

RESEARCH AND DEVELOPMENT

2008 – 2010, Research Analyst

Health Management and Policy, School of Public Health, University of Michigan
Tested hypotheses regarding ethnic differences in trajectories of subjective well-being (using HLM) with large-scale data sets. Prepared results for presentation and publication. Research interests include survey methodology, women's health and aging, subjective well-being.

2004 – 2007, Assistant Research Scientist

IRWG, Obstetrics and Gynecology, University of Michigan

Building Interdisciplinary Research Careers in Women's Health Scholar and co-investigator for a study of physiologic and socio-demographic disparities in urinary incontinence. Designed and managed all survey procedures. Coordinated survey operations with clinical testing. Conducted data analysis for presentation and publication.

1998 – 2004, Research Investigator

Research Design and Development, Institute for Social Research, University of Michigan

Responded to requests to develop proposals for survey research projects. Worked with clients to produce hypotheses and design specifications for new and ongoing studies. Supervised and coordinated all aspects of the survey process including methodology, questionnaire development, sampling, data collection, and data management. Analysis of epidemiological and social science data.

CONSULTING

Eli Lilly and Company, Indianapolis, Indiana, 2003 – 2005

University of Michigan Comprehensive Cancer Center, Ann Arbor, Michigan, 2004 – 2006

US Army Research Institute of Environmental Medicine, Natick, Massachusetts, 1995

HONORS, AWARDS, AND PROFESSIONAL SERVICE

Manuscript reviewer: The Gerontologist, Public Opinion Quarterly, Journal of Gerontology: Social Sciences, Journal of Aging and Health, Neurourology and Urodynamics, Disease Management and Health Outcomes, Journal of Gerontology: Psychological Sciences, Journal of Women's Health, Journal of the American Geriatrics Society, Social Science and Medicine, Annals of Epidemiology, American Journal of Public Health, American Journal of Preventive Medicine, Research on Aging, Quality of Life Research, BMC Urology

Participation on National Institute of Diabetes and Digestive and Kidney Diseases Special Emphasis Panel/Scientific Review Group, 2008

Ad hoc reviewer, University of Toledo Interdisciplinary Research Initiation Awards, 2007

Building Interdisciplinary Research Careers in Women's Health (BIRCWH) Scholar, 2003 - 2005

Counselor on Archival Data: Methodology, Data Management and Analysis Core of the Older Americans Intervention Center at the University of Michigan, 1994 - 1998

Pre-doctoral Student Paper Award: Gerontological Society of America, Behavioral and Social Sciences Section, 1989
