- *Seidler Paper Competition for Graduate Students*
- *Hanning Wang. "Returning to Demonstrations: A Multilevel Analysis of Abeyant Protestors across 84 Demonstrations in Eight European Countries."*

2018   **Arts & Sciences Graduate Fellowship,** University of Pittsburgh

2017   **Graduate Student Travel Grant,** University of Victoria

2016   **Graduate Student Travel Grant,** University of Victoria

2015   **Student Forum Travel Award**, The American Sociological Association

2015   **Student Travel Grant**, The Canadian Sociological Association

2015   **Graduate Student Travel Grant**, University of Victoria

2014   **Best Student Essay Prize,** Centre for Asia-Pacific Initiatives (CAPI), University of Victoria
- *Best essay focusing on the Asia-Pacific region at University of Victoria during 2013-2014*
- *Hanning Wang. "An Alternative State-Centric Explanation of Chinese Citizens' Preference of the Xinfang System."*

2014   **Robert Hagedorn Graduate Scholarship**, University of Victoria
- *Best academic performance in Statistical Analysis (Sociology 507)*

2014   **UVic Graduate Award**, University of Victoria

2013   **Outstanding Graduate Student Entrance Award**, University of Victoria

2013   **Academic Income Supplement**, University of Victoria

2012   **Excellent Graduate**, Renmin University of China

2011   **National Scholarship for Academically Excellent Student**, Ministry of Education of China
- *Undergraduate student with the best academic performance in the School of Philosophy, Renmin University of China (Class of 2012)*

2011   **Top Level Prize for Academically Excellent Student**, Renmin University of China
- *Undergraduate student with the highest GPA in the School of Philosophy, Renmin University of China (Class of 2012)*

2010   **Second Prize for Academically Excellent Student**, Renmin University of China

2009   **Second Prize for Academically Excellent Student**, Renmin University of China

2008   **Scholarship for Excellence in Basic Subjects**, Renmin University of China

Teaching Experience

Assistant Instructor

2020   Introduction to Quantitative Methods: Descriptive & Inferential Statistics
Graduate-level course, Department of Education, University of Pittsburgh

Teaching Assistant

2019 -   Applied Statistical Methods
2020   *Undergraduate-level course, Department of Statistics, University of Pittsburgh*

2020   Basic Applied Statistics
Undergraduate-level course, Department of Statistics, University of Pittsburgh

Professional Training

2020	Inter-University Consortium For Political And Social Research (ICPSR) Summer Program in Quantitative Methods of Social Research

- *Network Analysis, Time Series Analysis, Multilevel Models, Machine Learning, Introduction to Python, Introduction to R*

Memberships in Professional Organizations

American Sociological Association

Software Skills

SAS, STATA, R, Minitab, Python
